## Proceedings from the First TFEIP Meeting

- Some things never change!

8. D. Simpson (NMI, Norway) presented an overview of recent activity at the MSCs (West at NMI and East in Moscow). His overhead on the state of submissions by Parties of annual emission estimates caused some concern since only 14 (of 33 Parties) had submitted SO<sub>2</sub> data for 1990 and only 11 had submitted NO<sub>x</sub> data. He then reviewed the current state of
